KostMy husband wanted the map to prepare for a trip to W. VA. The writing was too small and many of the desired roads available to reach our destination were not visible on the map. We were finally were able to obtain a regular paper map from the tourist bureau of West Virginia with a great deal of detail.0 of 0 people found the following review helpful. Five StarsBy DONALD Wexcellent1 of 1 people found the following review helpful. Small and condensed; part of state on backBy Sara N. PriceI love traveling West Virginia and constantly go through highway maps when planning trips (I like to mark routes and destinations). I thought this map would be perfect since you can use dry erase markers on it and if I end up changing my trip, all I have to do is erase and reroute... and it's great for that, but I hate the size of the map. It's quite a bit smaller than regular road maps, making it harder to read and I hate that the eastern panhandle is on the back - very inconvenient! If I had known the layout of this map prior to purchasing, I wouldn't have bought it and would've stuck with my free road maps from the state.

The durable and convenient West Virginia EasyToFold state map will take all the wear and tear your journey can dish out.
