Some towns mislabeled, PLUS hard to read due to large yellow "urban area" blotches (which are also inaccurate).By Lady of the LakeLarge blobs of yellow "urban areas" make map very hard to read. They are also inaccurately placed, misleading... Also, major towns are missing!! If I noticed these problems the first time I opened the map, I'm sure there must be more errors as well. Thank heavens I was born in and live in Connecticut so I could identify problems right away.0 of 0 people found the following review helpful.
