Product arrived on time is good 2 of 2 people found the following review helpful. State is split into two pieces on either side of the map. By Ohio Erin I bought this map for a craft I wanted to do where it would be on display. The problem is that one half of the state is on one side, and the other half is on the other. I didn't even think to consider that this might be the case when I bought the map. The map is very large, so if you actually wanted to use it for traveling, I would find it a bit cumbersome to go back and forth, or even just use one side.
