Camille Cusumano : Eat, Dance, Love: Tango Lover's Anthology before purchasing it in order to gage whether or not it would be worth my time, and all praised Eat, Dance, Love: Tango Lover's Anthology:

Eat, Dance, Love shows what happens to body soul when unbridled passion meets imagination. This collection of

travel stories and personal essays traces the author's burgeoning love of Argentine tango from accidental tanguera to living abroad in South America frequenting Buenos Aires' steamy dance halls and learning a thing or two about life and love, as well as enjoying Argentina's favored folk dance, el tango. Journey with the author through the bustling Porteo streets and tango dance parties, to her eating haunts, and beyond to places in her heart where tango culture has irrevocably taken up residence. A journalist who has long written about adventure and cultural travel the author brings a discerning traveler's eye to tango, the dance, the culture, the art and joy of it.
