Berndtson Berndtson : Ecuador Laminated Map before purchasing it in order to gauge whether or not it would be worth my time, and all praised Ecuador Laminated Map:

10 of 10 people found the following review helpful. Great map By Joel R. Savitch Ecuador is a great country. Unfortunately there are very few good maps of the Country. This particular map was not only accurate, but durable and very reusable. 2 of 18 people found the following review helpful. WTF?? By H.W Am I missing something? \$151.00 for a MAP??? I would really like to find a good map of Ecuador and I realize they're hard to find but come on! Not at this price.

An English language laminated road and travel map in color of Ecuador with shaded relief to show hills and mountains. Scale 1:1,000,000. The map differentiates 5 different types of roads and paths and shows airports, national parks, nature reserves, beaches, monuments churches, bird sanctuaries, waterfalls, archaeological sites, camping sites, caves, lighthouses, golf courses, markets, and famous buildings. Indexed with cities, points of interest and parks. Inset map of the Galapagos Islands shows airports, scuba and snorkeling locations, lighthouses, shipwrecks, and beaches. Scale 1:1,300,000. Inset of greater Quito area shows neighborhoods, hospitals, churches, and museums. Scale 1:100,000. Inset of central Quito shows museums, monuments, tourist information centers, theaters, churches, hospitals, universities and secondary schools, and parks. Scale 1:20,000. Inset of Guayaquil scale 1:18,000. Inset of Cuenca scale 1:17,000. Inset of Ingapirca scale 1:800. Inset maps are indexed with places, neighborhoods, streets, points of interest, public buildings, embassies, hotels, markets, and parks.

About the Author The Berndtson Berndtson brand, a cartographic publishing company established in 1988 in Germany, makes tough, long-lasting maps with patented, non-toxic, environmentally responsible lamination material.
