Reise Know-How Verlag : Ecuador with The Galapagos before purchasing it in order to gage whether or not it would be worth my time, and all praised Ecuador with The Galapagos:

0 of 0 people found the following review helpful. Four StarsBy Jay and NinaGreat map for Ecuador however slightly outdated in regards to road status.0 of 0 people found the following review helpful. Map is very readable but largeBy Charlie HatchI have looked at a lot of maps of Ecuador online and they are hard to read, this map is very clear and easy to read. However it is quite large and as I a motorcycle ride in Ecuador it might be hard to read at times but a very nice map that I will use for years to come.
