Five StarsBy Cheryl MonteithGreat book and fast turnaround!

Beautiful Edisto Island has not always been a vacationers haven in the South Carolina Lowcountry. Before European settlement, it was home to the Edisto Indians and a wide variety of wildlife. Author Charles Spencer chronicles Edistos history, from the early days when English and Scottish planters and their African slaves settled the lush island paradise and established plantations that flourished until the Civil War. Wild Eden to Cotton Aristocracy is an impeccably researched and superbly written must-read for all whose hearts call Edisto home.
