Michael Molnar : Emperor Penguins (Life Cycles of Marine Animals) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Emperor Penguins (Life Cycles of Marine Animals):

Easy-to-understand text and spectacular photographs show Emperor Penguins at each stage of their life cycle. Other features include food web diagrams, labeled photographs, timeline of the lifecycle, migration and location maps, case studies, and much more.

About the Author Michael Molnar was employed as researcher at the Freud Museum in London from 1986 to 2003, and as director from 2003 to 2009. He translated and annotated Freud's 1930s diary notes, published as "The Diary of Sigmund Freud" 1929-39. He has published numerous contributions to the history of psychoanalysis in "Luzifer-Amor", "Psychoanalysis and History" and elsewhere.
