**Barbara Snyder : Encuentros Culturales: Cross-Cultural Mini-Dramas (English and Spanish Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Encuentros Culturales: Cross-Cultural Mini-Dramas (English and Spanish Edition):

0 of 1 people found the following review helpful. Great deal on a textbook in great shape. By Customer I needed this textbook for a Spanish class this term. My campus bookstore was charging more than 3x what I paid for a used copy- and their copies weren't in as good condition as the one I received from this seller. Shipped fast and was in great shape. 0 of 1 people found the following review helpful. Meh By BlueFires456 I only bought this book because of a class. it's in the described condition, and it serves its purpose. Good job. 0 of 1 people found the following review helpful. So glad I bought this! By Chelsea Litton I was going to pay for this book at my student bookstore and it was more than twice the amount! I also got it very fast and I actually find this book to be pretty helpful!
