The photographs are beautiful and the depth of information is impressive. Maxine Lurie and Richard Veit have obviously spent incalculable hours compiling the information in this text. I highly recommend this book for anyone interested in history, particularly New jersey history.0 of 0 people found the following review helpful. New Jersey PrideBy Barbara A. LanganThis book is a MUST for anyone who values New Jersey's rich and powerful history, and the crucial role it played in the birth of our nation. Envisioning New Jersey also highlights so many of the outstanding men women who contributed to making the Garden State one (if not THE) most unique of the nation's 50!0 of 0 people found the following review helpful. Five StarsBy Laura JI've been looking for a book on New Jersey history and this one fits the bill perfectly!

See New Jersey history as you read about it! Envisioning New Jersey brings together 650 spectacular images that illuminate the course of the states history, from prehistoric times to the present. Readers may think they know New Jerseys historythe states increasing diversity, industrialization, and suburbanizationbut the visual record presented here dramatically deepens and enriches that knowledge.

"This volume provides a wonderful introduction to the history of the Garden State by combining a concise and

readable narrative with hundreds of significant written, visual, and material documents."
