**Nicolas Brasch : Ernest Shackleton's Antarctic Expedition (Discovery Education: Sensational True Stories)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Ernest Shackleton's Antarctic Expedition (Discovery Education: Sensational True Stories):

Readers will travel along on a disastrous expedition that could have ended with no survivors. Trapped in ice and stranded for 20 months, readers will be fascinated to learn how Shackleton and his crew bonded together so that not a single man's life was lost. Full of heroic details and vivid photographs, any young reader will feel like an explorer.
