Ernest J. Wilkins, Jerry W. Larson : Espaol a lo vivo before purchasing it in order to gage whether or not it would be worth my time, and all praised Espaol a lo vivo:

0 of 0 people found the following review helpful. Five StarsBy MikeExcellent book in excellent condition with no markings and little evidence that it was used!! Received as promised.1 of 1 people found the following review helpful. A good textbookBy tbridges@stormnet.comI started using this book for self study as my textbook, and compared to other textbooks that I have used I consider it to be the best. It has a lot of drill and good grammer explanations. I would recommend this book even though it is pricey.

Not only emphasizes natural oral communication--listening and speaking--but develops reading and writing skills. The language is presented in meaningful, natural contexts and offers a wealth of personalized and group activities to

promote oral interaction in class.
