1 of 1 people found the following review helpful. This is NOT a phrasebook!By TVJThis is NOT a phrasebook! There

is one page of greeting-phrases, and the rest of the pages just include topical vocabulary lists. The second half of the book comprises a religious propaganda text: "Who is Jesus?/Quien es Jesus?/Qui es Jesus?" There are NO situational phrases anywhere in the book. This eBook is a fraud! Do not buy! I will definitely try to get a refund and delete from my Kindle.

This phrasebook contains a guide to English and Spanish pronunciation and grammar, paired with a guide to Catalan pronunciation and grammar, sample phrases and sentences arranged by topic, and a dictionary of 700 of the most commonly used words and phrases.
