**Emma Burgess : Essential Foreign Swear Words** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Essential Foreign Swear Words:

0 of 0 people found the following review helpful. Five Stars By K. Pineau Best gift for any occasion. Hilarious. 0 of 0 people found the following review helpful. Hilarious gift for your traveling friends! By Elisa Berger British humor at its best. This is an R-rated gift for any friend who's going overseas, especially to work. The phrases will come in handy - for what NOT to say if you want to survive and make friends. Smiles come in small packages. 0 of 0 people found the following review helpful. Not your typical language-learning book By Daniel Estes Essential Foreign Swear words is exactly what you hoped it would be, and a little bit more. Once the standard four-letter word translations are out of the way, the author treats us to gems such as "Honestly, officer, his face was like that when I met him" and "I would like to buy your children--how much is the boy?" and "I have you down as a bit of a pigeon-licker" and many others I would have to censor. Looking for a bit of adventure on your next international trip? I have just the book for you.

Never again be lost for words while abroad When you want to get your point across in a foreign language there's only one way to do it: by swearing your ass off! Impress the world with a stream of multilingual profanity from this nifty little book. It contains comprehensive coverage of swear words in French, German, Italian, and Spanish, with a bonus glossary of other languages at the back.

About the Author Emma Burgess is the author of *The Little Book of Essential Insults*.
