Richard Delacy : Essential Hindi: Speak Hindi with Confidence! (Hindi Phrasebook Dictionary) (Essential Phrase Bk) before purchasing it in order to gage whether or not it would be worth my time, and all praised Essential Hindi: Speak Hindi with Confidence! (Hindi Phrasebook Dictionary) (Essential Phrase Bk):

0 of 0 people found the following review helpful. Many times grammar books give good explanations and a few

examplesBy Bill K. There is some grammar explanation in the beginning of the book, but it is not a grammar book. I was looking for some text that would simply give me more practice in day to day speech. Many times grammar books give good explanations and a few examples, but since I am learning on my own, I needed to "hear" the language more--through simple conversations on the printed page. This is a help. I am glad I bought it. 1 of 4 people found the following review helpful. Five StarsBy PhilpotExcellent! 1 of 1 people found the following review helpful. Decent for the bare essentials, but lacking for the Essential Speak with Confidence Series. By Phil BI've bought several of the phrasebooks from Tuttle such as Essential Arabic, Essential Chinese, and the Making Out series books. In comparison to the other Essential series, this feels very formal and straightforward and not as "friendly." In the other Essential Speak with Confidence Phrasebooks such as Arabic and Korean, you have a wider range of expressions in replying and asking for opinions. The Hindi phrasebook gives a few very formal replies and uses the rest for the questions about children, and family which is the big subject in small talk. The invitation section in Hindi also feels less sociable. The other phrasebooks in the Essential series tell you how to invite people to the movies, dancing and colloquial ways to accept or refuse an invitation. The Hindi version doesn't give too much of a way to reply to invitations in the way the other phrasebooks do and where it does, it's not as natural as the other books in the series. You even have a more detailed Romance/Intimate conversation section if you needed it. One may think that this may be a cultural difference, but if the Arabic phrasebook can give these expressions despite the cultural background, it isn't exactly out of the question to expect the same or something close from the Hindi phrasebook. When the phrasebook comes to survival, it is just as adequate as the others; however, I think this phrasebook is too preoccupied with the formal and informal ways of saying things. There is a way to balance this as the Lonely Planet phrasebooks do well. I didn't expect this to be as "hip" as the Making Out in Hindi phrasebook, which is very excellent in offering a wide range of expressions and ways to communicate with Hindi speakers. Overall, this Essential Hindi phrasebook feels like it is targeting the older traveler who mainly wants to get through his trip in India where as the small talk sections in the other Essential series made you feel more open to practice and speak the language.

This portable, userfriendly Hindi language guide, phrasebook dictionary is the cheapest and easiest way to learn Hindi before and during your trip. If you only want to purchase one Hindi language book Essential Hindi is the way to go. Part of Tuttle Publishing's Essential Series, it is a great first introduction and beginner guide to the language of India and is also designed as a Hindi phrasebook, making it the most versatile Hindi language learning tool on the market. Perfect for business people or tourist traveling to India or for students who want to supplement their learning, this book's easy indexing feature allows it to act as a Hindi phrase book or as an EnglishHindi Dictionary. A clever "point to" feature allows you to simply point to a phrase translated in Hindi without the need to say a single word or read a single character. Terms and phrases cover all your conversations via mobile phones, internet, and social media in a way that will help you make the most of the language. In addition, sentences on the essentials of travel make it easier for visitors to navigate the basics of arranging accommodations, dining out, dealing with transportation and emergencies, and much more. Essential Hindi includes: Over 1,500 necessary sentences for everyday use. A glossary containing over 2,000 terms and expressions. Extensive notes on Hindi grammar and pronunciation. A handy format for finding the information you need quickly and easily. Look up the latest Hindi vocabulary and phrases for smart phones, blogging, Facebook and Twitter. Let Essential Hindi guide you in making the right word choices when communicating with friends and business colleagues, and the world!
