0 of 0 people found the following review helpful. Basics phrasesBy EstherIf you are good memorizing then this book is for you. It shows how to say the words0 of 0 people found the following review helpful. Great resource! I had this years ago and lost ...By Linda C. SchiessGreat resource! I had this years ago and lost part. Glad to find it. I like it better than the newer CD or mp3 versions. Easier pace for when I'm driving.0 of 0 people found the following review helpful. Spanish for HealthcareBy JanI really enjoy this book. It is not a basic spanish book, but it is designed to supplement any education in the spanish language. I appreciate the focus on healthcare! Excellent transaction.

A Quick, Easy-to-Use Program for: Nurses, Doctors, Clinic and Hospital Administrators, EMS Personnel and Home Healthcare WorkersNO Previous Knowledge of Spanish Required.Ready to use on the job, Essential Spanish for Healthcare is a vital tool for anyone who works with Spanish-speaking clients in hospitals, clinics, or other healthcare-related areas. This program has everything you need to communicate immediately and effectively, including a phrasebook, two cassettes, and a quick reference guide. Essential Spanish for Healthcare covers common situations, such as reception and sign-in, taking medical history, discussing symptoms, delivering the prognosis, and dealing with family and friends.The phrasebook includes more than 2,500 essential Spanish words and phrases, organized by topic. Phonetic transcriptions help you pronounce Spanish correctly. Culture notes address sensitive issues. Spanish-English/English-Spanish glossary and grammar summary are great for reference.The two 90-minute cassettes can be used to improve your conversation and comprehension skills - while you're in the car, exercising, or at home.The reference guide fits in your pocket and contains the most important words and expressions you'll need on the job.

"A life saver . . . The sensitive yet candid culture notes . . . move the program one step ahead of just medical Spanish."Carol Horky,Director, Continuing Medical Education, Cedars-Sinai Medical Center, Los AngelesLanguage NotesText: English, SpanishFrom the Inside FlapA Quick, Easy-to-Use Program for: Nurses, Doctors, Clinic andHospital Administrators, EMS Personnel and Home Healthcare WorkersNO Previous Knowledge of Spanish Required.Ready to use on the job, Essential Spanish for Healthcare is a vital tool for anyone who works with Spanish-speaking clients in hospitals, clinics, or other healthcare-related areas.
