Nancy Geshke : Essential Spanish for Social Services (Living Language Complete Courses) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Essential Spanish for Social Services (Living Language Complete Courses):

0 of 0 people found the following review helpful. Two Stars By photosrlife It's great if you don't already speak Spanish

but there aren't enough vocabulary words for what I do. 12 of 12 people found the following review helpful. A good, solid resource. By nclovely1 This book is excellent in terms of content and vocabulary. To get five stars from me, they would need to make the book (including the type) bigger and make navigation and reference a little easier. It's great if you're going to read straight through, but if you're looking for something in particular, it's not so easy to find what you are looking for. 21 of 23 people found the following review helpful. A must Have.. By A Customer This book is a great one for all those social workers in a hispanic enviornment. It has a ton of vocabulary useful to social workers. I would recommend it to anyone..

Social Services Providers Public Assistance Case Managers Substance Abuse, STD/AIDS, and Mental Health Counselors Child Welfare Case Workers Ready to use on the job, Essential Spanish for Social Services is indispensable for any social service provider who works with Spanish-speaking clients. This book-cassette program has everything you need to communicate immediately and effectively! No previous knowledge of Spanish is required. Essential Spanish for Social Services covers common situations, such as filling out an assessment, providing counseling, explaining HIV and STD prevention and testing, establishing eligibility for government programs, dealing with addiction, and investigating cases of sexual abuse or domestic violence. The 384-page phrasebook includes more than 2,500 essential Spanish words and phrases, organized by topic. Phonetic transcriptions help you pronounce Spanish correctly. Culture notes address sensitive issues. Spanish-English/English-Spanish glossary and grammar summary are great for reference. The two 90-minute cassettes can be used to improve your conversation and comprehension skills while you're in the car, exercising, or at home. The reference guide fits in your pocket and contains the most important words and expressions you'll need on the job.

"Terrific--a very comprehensive resource for social workers."--Anna Avery, C.S.W., St. Luke's-Roosevelt Hospital, New York, NY From the Inside Flap Social Services Providers Public Assistance Case Managers Substance Abuse, STD/AIDS, and Mental Health Counselors Child Welfare Case Workers Ready to use on the job, Essential Spanish for Social Services is indispensable for any social service provider who works with Spanish-speaking clients.
