Ksenia Benyukh, Ksana Benyuch : Estonian-English/English-Estonian Dictionary and Phrasebook (Hippocrene Dictionary Phrasebooks) (Multilingual Edition)

before purchasing it in order to gauge whether or not it would be worth my time, and all praised Estonian-English/English-Estonian Dictionary and Phrasebook (Hippocrene Dictionary Phrasebooks) (Multilingual Edition):

0 of 0 people found the following review helpful. goodBy jackiwell Estonian I hear is spoken mostly how it is written so I guess this book is accurate I hope.since has no pronunciations included. same with Latvian, I think is also spoken how written..so if get any dictionaries without pronunciation I guess is ok for languages like this. because find that out so won't give away dictionary like I did and I had to buy another one when I heard that.0 of 0 people found the following review helpful. Thorough and helpfulBy Lydia21Great! Just what I was looking for0 of 0 people found the following review helpful.
