**National Geographic Maps - Reference : Europe Classic [Enlarged and Laminated] (National Geographic Reference Map)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Europe Classic [Enlarged and Laminated] (National Geographic Reference Map):

National Geographic's Classic political map of Europe features clearly defined international boundaries, thousands of place names, waterbodies, airports, major highways and roads, national parks, and much more. The tasteful color palette, shaded relief, and coastal bathymetry make this map as attractive as it is functional. The countries and major cities shown include: Albania, Armenia, Austria, Azerbaijan, Belarus, Belgium, Bosnia Herzegovina, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Georgia, Germany, Greece, Hungary, Iceland, Ireland, Italy, Kosovo, Latvia, Liechtenstein, Lithuania, Luxembourg, Macedonia, Moldova, Montenegro, The Netherlands, Norway, Poland, Portugal, Romania, Russia, Serbia, Slovakia, Slovenia, Spain, Sweden, Switzerland, Turkey, Ukraine, and the United Kingdom. Enlarged maps provide an immersive experience in any home or office environment. The exceptional cartography is even easier to appreciate at the larger size. The map is encapsulated in heavy-duty 1.6 mil laminate which makes the paper much more durable and resistant to the swelling and shrinking caused by changes in humidity. Laminated maps can be framed without the need for glass, so the frames can be much lighter and less expensive. Map Scale = 1:5,419,000 Sheet Size = 46" x 35.75"
