**National Geographic Maps - Reference : Europe Executive [Enlarged and Tubed] (National Geographic Reference Map)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Europe Executive [Enlarged and Tubed] (National Geographic Reference Map):

0 of 0 people found the following review helpful. Five Stars By jlsmit Excellent value, solid packaging - beautiful map!

The Executive political map of Europe is a striking example of the cartographic excellence National Geographic is known for. The antique color palette, shaded relief, and easy-to-read fonts make this map both beautiful and functional. International boundaries are clearly defined and thousands of place names, waterbodies, airports, major highways and roads, national parks and more are included. This map includes complete coverage of the countries and major cities of Albania, Armenia, Austria, Azerbaijan, Belarus, Belgium, Bosnia Herzegovina, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Georgia, Germany, Greece, Hungary, Iceland, Ireland, Italy, Kosovo, Latvia, Liechtenstein, Lithuania, Luxembourg, Macedonia, Moldova, Montenegro, The Netherlands, Norway, Poland, Portugal, Romania, Russia, Serbia, Slovakia, Slovenia, Spain, Sweden, Switzerland, Turkey, Ukraine, and the United Kingdom. Enlarged maps provide an immersive experience in any home or office environment. The exceptional cartography is even easier to appreciate at the larger size. The map is packaged in a two inch diameter clear plastic tube. The tube has a decorative label showing a thumbnail of the map with dimensions and other pertinent information. Map Scale = 1:5,419,000 Sheet Size = 46" x 35.75"

About the Author Founded in 1915 as the Cartographic Group, the first division of National Geographic, National Geographic Maps has been responsible for illustrating the world around us through the art and science of

mapmaking. Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and explore their world.
