I love it. Now as I plan my travels to Europe, I can see every place at a glance. Because it's the region it's not great for specific areas but makes a nice framed map.0 of 0 people found the following review helpful. Great as Usual!By joshuaGreat map as always by National Geographic, the details and aesthetic nearly unmatched. I HEAVILY recommend getting this laminated version, the increase of price is definitely worth it, it keeps it safe and is overall much more durable. It may not be that much of a problem if your planning on framing it, but I would still recommend it. Awesome product!1 of 1 people found the following review helpful. Love itBy L NashGreat laminated map. I've just gotten mine framed and it looks fabulous and would make a great gift. I would highly recommend.

The Executive political map of Europe is a striking example of the cartographic excellence National Geographic is known for. The antique color palette, shaded relief, and easy-to-read fonts make this map both beautiful and functional. International boundaries are clearly defined and thousands of place names, waterbodies, airports, major highways and roads, national parks and more are included.This map includes complete coverage of the countries and major cities of Albania, Armenia, Austria, Azerbaijan, Belarus, Belgium, Bosnia Herzegovina, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Georgia, Germany, Greece, Hungary, Iceland, Ireland, Italy, Kosovo, Latvia, Liechtenstein, Lithuania, Luxembourg, Macedonia, Moldova, Montenegro, The Netherlands,

Norway, Poland, Portugal, Romania, Russia, Serbia, Slovakia, Slovenia, Spain, Sweden, Switzerland, Turkey, Ukraine, and the United Kingdom. The map is encapsulated in heavy-duty 1.6 mil laminate which makes the paper much more durable and resistant to the swelling and shrinking caused by changes in humidity. Laminated maps can be framed without the need for glass, so the frames can be much lighter and less expensive. Map Scale = 1:8,400,000 Sheet Size = 30.5" x 23.75"
