By Michelle A bit outdated, but very helpful especially when you're riding on the train/plane before your next destination. That's when I'd go through this book and read all there is

to know about a city. I found that you get so much more out of a city and its sites when you have a bit of history on it. The book is beastly. I'd recommend tearing out countries you're not visiting or not getting the book altogether if you're planning on staying at hostels. Almost every hostel I stayed at had a copy. 1 of 1 people found the following review helpful. VErY interesting. By George A. Stracke III Book arrived on time and was used to prepare for a pending trip abroad. Having an expense account that permitted us to travel in other style, we found that we would follow many of the suggestions if we had to pay for it out our own budget.
