Each of the 14 languages has the following sections: Intro (which includes pronunciation tips), useful phrases, days, months, and seasons, numbers, time, communications, hotels, shopping, eating out, and menu guide. As a slightly picky eater, the menu guide is particularly useful for me. It has hundreds of translations of foods that appear on menus in that country. Also, the book is tiny; its the size of a large wallet, so its very convenient to carry with you. I'd highly recommend this book if you're backpacking Europe!0 of 0 people found the following review helpful.
