James Kavanagh, Waterford Press : Everglades Wildlife: A Folding Pocket Guide to Familiar Species (A Pocket Naturalist Guide) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Everglades Wildlife: A Folding Pocket Guide to Familiar Species (A Pocket Naturalist Guide):

0 of 0 people found the following review helpful. Four Stars By Jeanne K Kinsler Great fold out of creatures for my grandson!
0 of 0 people found the following review helpful. Four Stars By Frederick B. nice
0 of 0 people found the following review helpful. Educational By candis johnson Great guide to show our grand children all the things we saw in the everglades.

The subtropical Everglades is an important habitat for numerous rare and endangered species like the manatee, American crocodile, and the elusive Florida panther. The Everglades National Park is a World Heritage Site and International Biosphere Reserve. This beautifully illustrated guide highlights over 140 familiar and unique species of mammals, birds, reptiles, amphibians, fishes and butterflies. Laminated for durability, this lightweight, pocket-sized folding guide is an excellent source of portable information and ideal for field use by visitors and residents alike. Made in the USA.

From the Back Cover Everglades Wildlife, An Introduction to Familiar Species, is a must-have reference guide for beginners and experts alike. Whether you're on a nature hike or taking a stroll in your neighborhood, you'll want to take along a copy of this indispensable guide. The Pocket Naturalist series is an introduction to common plants and animals and natural phenomena. Each pocket-sized, folding guide highlights up to 150 species and most feature a map identifying prominent sanctuaries and outstanding natural attractions. Each is laminated for durability. About the Author Zoologist Jim Kavanagh has made a career out of introducing novices to plants, animals, the sciences and world cultures. In addition to creating over 500 simplified nature guides, he has also authored guides to languages, cities and outdoor skills. An avid traveler and backpacker, Kavanagh's path has taken him around the world to many remote destinations including the upper , Africa, Australia, and the Arctic Circle (and this is just the As). He is also the author of a series of state-specific guides to common species and natural attractions and a children's book on evolution. With 650+ titles in print and 6.5 million copies sold, Waterford Press publishes the largest line of folding-format reference guides in the industry. Our mission is to connect people to the natural world by making knowledge about wildlife identification, outdoor recreation, travel, and safety and survival skills accessible to a wide audience.
