Arrived before promised date.4 of 5 people found the following review helpful. Excellent MapBy MAGot me through traipsing the Heart of England Way. Still had to ask directions once, but overall, if you're good at reading maps, this will do the trick. It opens large but is easy to see. Be sure it includes the section of the Cotswolds that you require.

OS Explorer Map is the Ordnance Survey's most detailed map and is recommended for anyone enjoying outdoor activities like walking, horse riding and off-road cycling. Providing complete GB coverage the series details essential information such as youth hostels, pubs and visitor information as well as rights of way, permissive paths and bridleways.
