**Tristan Boyer Binns : Exploring Antarctica (Exploring Continents)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Exploring Antarctica (Exploring Continents):

This book asks the questions that young people want answered about Antarctica. Each chapter of this book contains the answers to a different question about this continent. This book includes clear and detailed maps to assist readers in their quest for information. Explanations are given to help students understand a range of issues in Antarctica.
