of 0 people found the following review helpful. GreatBy Mary J. KnightThis book covers many beaches with good information. Great guide to finding and exploring. It didn't give much info on shelling, which I was looking for, but still good.0 of 1 people found the following review helpful. Good ReadBy WiseOneThis is a good read but honestly there is nothing in this book that one couldn't find on-line. Dont know what I expected but ahhhhhh its okay.
