**Deepak Sanan, Dhanu Swadi : Exploring Kinnaur in the Trans-Himalaya** before purchasing it in order to gage whether or not it would be worth my time, and all praised Exploring Kinnaur in the Trans-Himalaya:

The book enables both the prospective visitor and the armchair traveller to get an overview of the land and its people, its rich cultural heritage and the trekking routes of Kinnaur and Sipti.

" A bible for those intending to visit this little known place, this book is a well research travelogue". The Hindustan times --The Hindustan times
