Travelers Series : Exploring Tahiti with Kids before purchasing it in order to gauge whether or not it would be worth my time, and all praised Exploring Tahiti with Kids:

Tahiti is full of family-friendly activities to explore in this tropical paradise. For less than the price of parking at most major attractions, this book will allow your family to explore Tahiti in an entirely new way and create memories that will last a lifetime. As the white sand beaches of Tahiti beckon you, the local Tahitians are eager to share their culture. As you explore these islands, you will discover lush scenery, stunning beaches, amazing fish, and fun activities. Locals love being in the water and your family can enjoy all that Tahiti has to offer. Destinations/Activities include: The Beach, Market, Rainforest, Black Pearls, Luau, Local Currency, Special Tahitian Meals and more! A family vacation to Tahiti will be even better with a Jr. Travelers Series book. This is a trip you and the kids will never forget. Each Jr. Travelers Memory Book contains activities tailored to specific destinations or themes. While visiting each destination,

your child collects items, answers trivia, writes stories, finds objects, or does something particular to that location. As he or she completes each activity, your child will accumulate a collection of items, artwork, stories, and mementos. Some of these are preserved by writing or taping them directly onto the pages of the Memory Book. By simply completing each fun activity during a family outing, your child transforms their "activity book" into a Memory Book that lasts a lifetime. ** GO TO WWW.TRAVELERSSERIES.COM TO LEARN MORE OR VIEW A BOOK PREVIEW **
