**National Geographic Maps - Trails Illustrated : Manistee South [Manistee National Forest] (National Geographic Trails Illustrated Map)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Manistee South [Manistee National Forest] (National Geographic Trails Illustrated Map):

0 of 0 people found the following review helpful. Great versatile map. By Guy "Gibby" Wolgamott This map has incredible detail for the size of it, material is light but not flimsy. Will hold up to moderate trail abuse and has everything from two-track trails to hiking trails, along with facilities within the forest and surrounding area. 0 of 0 people found the following review helpful. Five Stars By Brett Rybski Awesome waterproof map. 0 of 0 people found the following review helpful. Five Stars By Kevin Ryan Fairly detailed and easy to read. Durable and quite waterproof.

**Waterproof Tear-Resistant Topographic Map** Explore the many recreational opportunities available year-round in Michigan's northern lower peninsula with National Geographic's Trails Illustrated map of Manistee South. Created in partnership with local land management agencies, this expertly researched map delivers unmatched detail and helpful information for experienced outdoor enthusiasts and casual visitors alike. This map features many key points of interest, including Silver Lake, Hart-Montague Trail, Newaygo, Muskegon, Mears, and Duck Lake state parks; Pentwater River State Game Area; portions of the White, Pere Marquette, and Muskegon rivers; and Hardy Dam Pond. The Manistee South map is an invaluable resource for exploring the miles of mapped trails in the region, including the North Country, White Pine, and Pere Marquette trails, and Michigan Cross Country Cycle Trail. Whether you're looking for a hiking, biking, equestrian, cross country ski, snowmobile, ATV, or motorcycle trail, you'll find it clearly marked. Many trails are shown with mileage between intersections. Some of the many recreation features noted include ski areas, beaches, horse camps, interpretive sites, disc golf courses, boat ramps, non-motorized river access, and areas for fishing, swimming, and tubing. Helpful material about recreation activities available in the region, park regulations, ORV trail signs, and contact information for local agencies are included as well. Every Trails Illustrated map is printed on "Backcountry Tough" waterproof, tear-resistant paper. A full UTM grid is printed on the map to aid with GPS navigation. Other features found on this map include: Big Rapids, Hardy Dam Pond, Lake Michigan, Little Muskegon River, Manistee National Forest, Muskegon, Muskegon River, Pentwater River, White River. Map Scale = 1:75,000 Sheet Size = 25.5" x 37.75" Folded Size = 4.25" x 9.25"

**About the Author** Founded in 1915 as the Cartographic Group, the first division of National Geographic, National Geographic Maps has been responsible for illustrating the world around us through the art and science of mapmaking. Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and explore their world.
