Phillip C. Muehrcke : Map Use: Reading, Analysis, And Interpretation before purchasing it in order to gage whether or not it would be worth my time, and all praised Map Use: Reading, Analysis, And Interpretation:

Map Use: Reading, Analysis, Interpretation is a comprehensive, foundational textbook, providing students with the knowledge and skills to read and understand maps, and offers professional cartographers a thorough reference resource. Full-color maps, photographs, and graphs illustrate the concepts behind communicating with maps, This book renders basic cartographic principles accessible to all, from students of cartography and map design to those without a formal education in geography.
