Laura Albritton, Jerry Wilkinson : Marathon: The Middle Keys (Images of America) before purchasing it in order to gage whether or not it would be worth my time, and all praised Marathon: The Middle Keys (Images of America):

The Middle Keys have experienced a fascinating history, from the time when wreckers plied the Florida Reef to the days of Henry Flagler's audacious overseas railroad. Once the Overseas Highway opened, travelers could reach Marathon by car and tourism boomed. As more people settled in Marathon, the community grew and flourished. The

majesty of the Middle Keys' two Seven Mile Bridges has inspired postcards, paintings, and even movie scenes. Local institutions like the Dolphin Research Center and the Turtle Hospital have also garnered a host of fans. *Images of America: Marathon: The Middle Keys* captures the story of these unique islands and their rich photographic legacy.
