**National Geographic Maps - Trails Illustrated : Marco Island, Ten Thousand Islands (National Geographic Trails Illustrated Map)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Marco Island, Ten Thousand Islands (National Geographic Trails Illustrated Map):

0 of 0 people found the following review helpful. Five Stars By Steve G. Fine product. As described. Would buy from this vendor again. 1 of 1 people found the following review helpful. Even with a map it's easy to wonder where you are on occasion. By canoe guy The map is durable and tough. Fold it so it's handy to use, then fold it up for storage. The salt water didn't seem to hurt it. Even with a map it's easy to wonder where you are on occasion!!!

Waterproof Tear-Resistant Topographic Map Let National Geographic's Coastal Recreation map of Marco Island and Ten Thousand Islands guide you, both on land and on water, in this popular recreation area just outside of the Everglades National Park.
