Lynne M. Sullivan : Martinique, Guadeloupe, Dominica and St. Lucia Alive! (Martinique, Guadeloupe, Dominica St. Lucia Alive) before purchasing it in order to gage whether or not it would be worth my time, and all praised Martinique, Guadeloupe, Dominica and St. Lucia Alive! (Martinique, Guadeloupe, Dominica St. Lucia Alive):

1 of 1 people found the following review helpful. great guide book, but a little datedBy Lester W RileyLots of detail and a must for getting off the main road and really travelling around the islands. We spent two weeks on Guadeloupe, but it was not nearly long enough. It is a beautiful place, with much to see and do, great beaches and friendly people. If

you go it would help to speak a little French because no one there speaks English. If not, go anyway. 0 of 0 people found the following review helpful. Big Book covers several islands. By Robert H. Ranson It includes a lot of different islands, but we were just interested in the Guadeloupe part, but will keep it in case we visit other islands nearby. The guide was a good one. I recommend it. 3 of 3 people found the following review helpful. wordy By Paul C. Jeffrey I wish these guides would have more pictures. Hey, I'm not 12 years old - but maps, graphs, and an occasional bw view of a town/hotel/port would be really swell. (ok, part of me is 12)...

Feeling "alive" is commonly used to describe the state when you are energized, excited, full of life! And that's exactly what these books inspire -- a feeling of eagerness to explore and discover. Alive! Guides are a refreshing change from the "same-old" guidebooks. They are written for the savvy traveler who is looking for quality and value in accommodations and dining, with a selection of activities to fill the days and nights. Each book's introduction covers the basic travel information, including climate, when to go, what to pack, history, package tours, geography and -- for overseas destinations -- currency concerns and health issues. Daytime pursuits are detailed in the "Sunup to Sundown" section, which cover the best beaches, walking tours, driving excursions, nature trips and sightseeing. Shopping plays a big part, with tips on how to barter in island crafts markets and where to find the best deals. And if you're looking for some fun when the stars come out, turn to the "After Dark" section, where you'll find descriptions of the best discos, cigar bars, theaters, movies, nightclubs and happy hours!

From the Publisher Up-to-the-minute Alive Guides cover every aspect of travel in each exciting destination - places rarely covered by other guidebooks! Alive Guides focus on hotels and restaurants, with descriptions based on repeat visits by well-traveled authors. Establishments are rated with the unique Alive rating system, so you can find one to suit your taste and pocketbook. Particular attention is given to shopping in the exotic regions, with details on local artists, cut-price designer clothing and the best values on duty-free goods. Tips on what to do from sunup to sundown include tours, sightseeing, sunning, watersports and the best beaches. Piano bars, jazz clubs, places to meet people and even gay clubs are listed for nightlife. Transportation to, from, and around the area is also covered. Maps and indexes.
