National Geographic Maps : Massachusetts (National Geographic Guide Map) before purchasing it in order to gage whether or not it would be worth my time, and all praised Massachusetts (National Geographic Guide Map):

Waterproof Tear-Resistant Travel MapExpertly researched and full of high functional travel information, National Geographic's Oregon Guide Map combines a comprehensive road map and a travel guide in one easy to use resource. Roads are clearly designated as toll roads, highways, major and secondary routes, and scenic byways. The road network is annotated with mileage markers and points of interest, such as national and state parks, national forests, campgrounds, ski areas, airports, visitor information centers, hospitals and much more. Inset maps of Eugene, Salem, Portland and its downtown provide extra detail to these popular areas in the state. Crater National Park, Columbia River Gorge and Rogue Umpqua Scenic Byway are given special coverage including both maps and descriptions. A calendar of events, chart of park service sites and an overview of points of interest along with contact information will help you plan your visit. An index of cities, towns and counties along with a chart of driving distances will aid in your finding your destination and planning your route. Every State Guide Map is printed on durable synthetic paper, making them waterproof, tear-resistant and tough capable of withstanding the rigors of any kind of travel.Map Scale = 1:1,584,000Sheet Size = 24.75" x 17.75"Folded Size = 4" x 8.75"

About the AuthorFounded in 1915 as the Cartographic Group, the first division of National Geographic, National Geographic Maps has been responsible for illustrating the world around us through the art and science of mapmaking.Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and explore their world.
