300 Pictures, COMES WITH FREE E-BOOK VERSION:

1 of 1 people found the following review helpful. A different type of travel book
By Gary ---At first, I was a little taken aback when I received delivery of this travel guide for Medellin. But I'm very glad I bought this book for several reasons. First, Jaime recommends many things to do that I had not read about in more traditional travel guides to the city. Second - when you buy the book, if you send Jaime an e-mail he will provide you a link to the e-book version. The photographs in this PDF file come to life in color. It really helps you get an idea of what the locale, restaurant, hotel, neighborhood or tourist site look like. Third: I've looked for city maps that relate the points of interest to the neighborhoods. Finally, in this book I found what I was looking for. And if you download the electronic version of the book you can print out full-page copies of each map.If you are traveling to Medellin, I highly recommend this guide!
0 of 0 people found the following review helpful. This book was so helpful in Medellin
By John BuzbyIf you are traveling to Medellin, I highly recommend that u purchase this book... It was very helpful with my week in Medellin...
0 of 1 people found the following review helpful. Only black and white photos made it boring. We did leave the book on the coffee ...
By CustomerMuch too much hotel/places to stay. Would improve with more detailed history and colored photos. Only black and white photos made it boring. We did leave the book on the coffee table in the condo rented for the week. The owner wanted you to know she likes it - other than promotes others places to stay than her vary place.

A travel guide for hotels, restaurants and sites for Medelln, Colombia. A one of a kind guidebook with over 300 photos which also comes with a free e-book with color photos.

About the AuthorA technical writer by trade who trades and writes advisory reports for traders of the Forex, Futures, and Stock and ETF markets. His success in trading enables him to travel and live abroad. For the past few years, he has been traveling and living throughout the beautiful country of Colombia.
