**Emile (1877-1953) Magne : Mediterranean Cruising Handbook (Mediterranean pilots charts)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Mediterranean Cruising Handbook (Mediterranean pilots charts):

0 of 0 people found the following review helpful. It's a great bookBy Andrei BoyanovThe book contains essential and very interesting information about sailing. It's a great companion, together with Greek waters pilot for example, to the mediteranian sailor.

This fully updated 5th edition has had a complete facelift and is now published in full color. The Mediterranean Cruising Handbook is a constant companion to the Imray Mediterranean Almanac and provides information on climate, equipment, radio, navigation, routes to the Mediterranean, history, marine life, food and basic information on each Mediterranean country.
