So, this book didn't meet my wishes, but it was quite informative and good for those who want to use the ships suggested tours.0 of 0 people found the following review helpful. Only bare bones.By Jacquelin M. JonesSame info provided in cruise brochures and tour info. Very little insight or research. Not for anyone who wants to do more than book a tour.

Plan your best ever Mediterranean, European or Baltic cruise. Come with me on a preview of 26 shore excursions to give you a personalized glimpse of what to expect and what NOT to expect. Each is a brief snapshot of how I was treated, what I saw, what was missing and my recommendation or not! Each is typical of the shore excursions that your cruise ship will offer you. And there are lots of my colour photos too. Barcelona, Bilbao, Seville, Rome, Copenhagen, Corfu, Helsinki, Ibiza, Istanbul, Ephesus, La Coruna, Le Cinque Terre, Mont-St-Michel, Lisbon, Taormina, Naples, Amalfi, St Petersburg, Stockholm, Tallinn, Malta, Venice, Monaco/Nice, Ajaccio, Amsterdam and Dubrovnik. As well there is my INTRODUCTION TO SHIPBOARD PROCEDURE, my indispensable DAY EXCURSION CHECK LIST on what to pack for a stress-free day ashore, and my personal story of how simple, inexpensive wristbands have allowed me to cruise and enjoy shore excursions without nausea. Welcome to hassle-free cruising. Bon Voyage and enjoy every single moment of your exciting vacation. And maybe I'll see you on board.

"This is an extremely practical book -- essential for anyone planning one of the cruises and the related 'excursions' on land. The checklist for shore excursions is particularly helpful when you're still at home and packing the things you'll need." "Having all of this touring information in one place has made our vacation touring plans much easier."
