Janet McGovern, Reg McGovern, Betty S. Veronico, Nicholas A. Veronico : Menlo Park (Images of America) before purchasing it in order to gage whether or not it would be worth my time, and all praised Menlo Park (Images of America):

1 of 1 people found the following review helpful. Homeland HistoryBy Kathleen NugentLived in Menlo Park most of my life. It was great to see the historical past of this lovely Northern California city.1 of 1 people found the following review helpful. Five StarsBy Julie Trappgreat book with lots of history and interesting facts0 of 0 people found the following review helpful. Five StarsBy Judy W HansenLoved this---growing up in Menlo Park was so wonderful,

great to see all the old photos!

Menlo Park is ideally situated on the center of the San Francisco peninsula, benefitting from the baysides near-perfect weather. In the late 1800s, the areas temperate climate drew many of San Franciscos elite to build lavish summer estates in town. During World War I, the area played host to the Armys Camp Fremont, and when World War II came to town, Menlo Park was home to Dibble Army Hospital. The city grew up along El Camino Real, and its downtown retail district centers around Santa Cruz Avenue. Today, Menlo Park is a suburban oasis of beautiful homes with a thriving business community that incorporates a number of leading high-tech companies.

About the Author Janet McGovern enjoyed a career as a reporter and communications professional and most recently authored Arcadia Publishings Caltrain and the Peninsula Commute Service. Her husband, Reg McGovern, a longtime Redwood City Tribune photographer, took many of the historical photographs in this book. Coauthor Betty S. Veronico is a senior commercial property manager and is the author or coauthor of four other books, including Arcadias Lighthouses of the Bay Area. Nicholas A. Veronico is a science and technology writer, and he has written extensively on local history, military, and transportation subjects.
