From Rough Guides / Lexus Series : Mexican Spanish, Dictionary Phrasebook (A Rough Guide Phrasebook) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Mexican Spanish, Dictionary Phrasebook (A Rough Guide Phrasebook):

0 of 0 people found the following review helpful. Five Stars By Billy E. Porter Great 35 of 36 people found the following review helpful. very handy By joe I consider myself beginner in spanish. The only sentence that I can confidently say is "Habla usted ingles?". I took this book and Oxford spanish dictionary to my eight day trip to Guadalajara, Mexico. This book became so handy that I left the Oxford dictionary in my hotel room. Besides words

and phrases, it provide menu reader and other very useful information about Mexico. i.e. Under a word "phone", it describes how to use public phone in Mexico. I didn't realize most public phones only accept phone card and only the phone card from their company. I suggest buying Telmax phone card, since you can only find Telmax public phones. This book is well worth the price. 0 of 0 people found the following review helpful. Muy Bueno! By Norman L. Smith This phrase book is necessito for any traveler to Mexico that needs a quick reference source to make a point, close a deal or ask directions. I found myself flipping through it everyday on my 6 week trip through Mexico. I am not fluent, so this book saved me many an awkward moment in many different towns across the country. It is pocket size too!.....

This phrasebook follows a dictionary format and features comprehensive English-Mexican Spanish and Mexican Spanish-English sections. It also contains cultural tips for difficult situations, such as making a phone call, and a practical menu reader.

Invaluable. -- Daily Telegraph, London, UK
