Lexus : Mexican Spanish Phrasebook: A Rough Guide Phrasebook (Rough Guide Phrasebooks) (Spanish Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Mexican Spanish Phrasebook: A Rough Guide Phrasebook (Rough Guide Phrasebooks) (Spanish Edition):

35 of 36 people found the following review helpful. Outstanding!By Bob DennyI bought this book in conjunction with Barron's Law Enforcement Spanish kit. "Mexican Spanish - The Rough Guide" is an outstanding pocket reference! I learned to conjugate verbs very easily given the simple description in the Rough Guide. I particularly like the

contextual listings for words in the dictionary section. Very useful! I have several other Spanish books and dictionaries, and they are gathering dust now. I highly recommend this book.

The "Rough Guide to Mexican Spanish" will have you talking the language quicker than any other phrasebook. Laid out dictionary-style for instant access, it features comprehensive English-Mexican Spanish and Mexican Spanish-English sections, cultural tips for tricky situations, and the most practical menu reader in the business. If you want to know what's happening - Que hubo? as the Mexicans put it - this is the essential guide.
