**Editors of Pilot Press : Miami South Beach Florida: A Photographic Portrait** before purchasing it in order to gage whether or not it would be worth my time, and all praised Miami South Beach Florida: A Photographic Portrait:

The images in this stunning, full-color photographic journal capture the life of Miami and South Beach. From the peaceful chill of early morning as the sun rises over the Atlantic's white sand beaches, through the heat of a South Florida afternoon, to South Beach's red-hot nightlife, chronicling the daily life of one of America's hottest spots.
