Sophisticated and sexy, Buenos Aires really is the Paris of South America. Buenos Aires Like a Local is an invaluable guide to tango, fbol, shopping, gourmet cuisine and beautiful architecture. Peter Greenberg, Americas well-respected travel expert and Chief Contributing Editor of the series, shares insider insights and touring tips gleaned from his extensive experience in the travel industry, while Michelin star ratings point out the most interesting sights for every neighborhood, atmospheric places to stay, elegant cafs, established milongas (dance halls), in vogue nightspots and the very best designer boutiques.
