Michelin : Michelin Map Peru 763 (Maps/Country (Michelin)) before purchasing it in order to gage whether or

not it would be worth my time, and all praised Michelin Map Peru 763 (Maps/Country (Michelin)):

New addition to the respected Michelin series of road maps, this map covers the major road networks across Peru. Simple folding design, reads like a book, durable p cover, international legend in 4 languages, large-scale city maps, including Lima
