Sabine Schreiner, Joan Street : Midsomer Murders on Location (Location Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Midsomer Murders on Location (Location Guides):

38 of 38 people found the following review helpful. Very disappointingBy Anne HathawayI am a HUGE fan of Midsomer Murders. I was expecting a book with color photos of English homes, pubs, gardens, and countryside as well as behind-the-scenes information about the television show. All of the photos and maps are in black and white and the photos are very small. I was so disappointed when I received the book and saw what it contained. I would not

recommend this book.0 of 0 people found the following review helpful. Great accompaniment to the TV series.By L. St OngeLove this book. Great for fans of Midsommer Murders, of which I am one. Fun to see actual places where the series has been filmed.8 of 8 people found the following review helpful. DisappointingBy Denise O.This sounded like a really interesting book, but proved to be far less interesting when recieved. There are very few images, one for each 'village', even when several locations in that village were used in the series. None of the images are in color. Really isn't worth the cost of the book.

The majority of the pretty villages that make up Midsomer country are actually strewn over four counties - Berkshire, Buckinghamshire, Hertfordshire and Oxfordshire. Here for the first time is a comprehensive guide to the gorgeous locations used in filming the series. From Aldbury to Windsor, this book, published in conjunction with the Midsomer Murders Society, surveys over one hundred of these picturesque locations, complete with filming anecdotes. However, it concentrates primarily on the historical aspects of each site, most of which are open to the public and worth a visit in their own right. The guide is fully indexed by county and episode, and covers everything from public houses to churches and stately homes. Midsomer Murders on Location is extensively illustrated and contains maps to assist the reader in planning their own visit. This book is a must for all Midsomer Murders enthusiasts as well as those interested in visiting some of England's finest countryside. Published in conjunction with The Midsomer Murders Society and Bentley Productions.
