This is a waste of timeBy Bruce ShawWithin the "book" when you try to communicate with twitter or facebook when you rate this one it is a joke that you can and a game. The cover looks pretty on this and all other Miss Passport ebooks but the info is not curated, obvious, not targeted in any way for the individual user, the tourist bureau would do a better job.This is a perfect example of opening up the world to user content that is not curated so the consumer ends up paying for junk. And this was junk.I chuckle that a star rating is required to submit this review....so it will get a one star when it deserves none.0 of 0 people found the following review helpful. Philadelphia, Here We Come!By Geena GreenMiss Passport City Guides Presents Mini 3 Day Unforgettable Vacation Itinerary to Philadelphia (Philadelphia Travel Guide) is Ms Sharon Bells published guide for a three-day tour of Philadelphia, Pennsylvania in the United States of America. In this publication, Ms Bell takes her readers vicariously to Philadelphia, for a three-day holiday and tour. In this guide, Ms Bell helps readers to plan each day of the tour and successfully attain the related objectives. She generously tells readers about Philadelphia's history, music, landmarks, culture and cuisine. She advises them about places to visit while they are in Philadelphia.0 of 0 people found the following review helpful. an easy look at the city of brotherly love.By excellentwheelsThis little guidebook is definitely going to need to be supplemented by a larger travel book with a much bigger overview. If you are planning to travel to Philadelphia for longer than three days, this book is designed to be a stripped down, minimalist travelers approach to vacationing in the city of brotherly love, which is not everyone's cup of tea, but for the price. If you're not sure whether or not you want to visit Philadelphia this is a good place to start although as I say keep in mind that the book is really geared for those on a shoestring budget.

Miss Passport mini three-day unforgettable vacation itinerary (Philadelphia, Philly) Philadelphia "Philly" is known as the city of brotherly love this magnificent city. That is constantly evolving it being very mindful of its history and unique culture is perched between two magnificent and powerful cities. Those being Washington DC and New York, Philadelphia is home of the first congressional meetings as well as the signing of the Declaration of Independence and the Liberty Bell. American history would not be the same without the city of Philadelphia. As you arrive you will notice that they call it the city of brotherly love for a reason that people are extremely warm and friendly and eager to share their stories and their favorite spots are up for city such as restaurants museums and other attractions such as the Reading Market where you will find all sorts of wonderful treasures and souvenirs of your memorable and unforgettable vacation everything from paintings to handmade colonial style furniture, as well as a plethora of homemade baked goods from all over the world, including Holland, Germany, Sweden and Norway and Ireland, to name a few you may want to limit yourself (if you have the willpower) to just a few choice snacks so as not to spoil your appetite for lunch at the city Tavern. The city Tavern is the most famous Tavern in Philadelphia is the unofficial home of the first Continental Congress as all the notable personalities would gather there after hours to exchange stories and ideas smoke their pipes, and generally unwind after a hard day of hammering out the details of how to govern, a fledgling republic. If you like the city Tavern and you will love the rest of Philadelphia is filled with colonial architecture and pre-revolution buildings in offices and homes cobblestone streets and many interesting notes and crannies. However, if historical sites, like the Liberty Bell Independence Hall, and the city Tavern aren't necessarily your cup of tea, and you would like a little more action. Then depending on the time of year you are visiting, you can either take in a Philadelphia Eagles game or a "Phillies" baseball game. And if you are looking for even more physical activity, you can pretend that you are rocky. By running up the steps to the Philadelphia library (these steps were made famous as part of Rockys workout regiment in the Rocky films) After you have exercised yourself into a considerable appetite, there is a diverse food culture in Philadelphia that will offer you everything from gourmet cheeseburgers to the famous Philly cheesesteak and everything in between. There are plenty of bars and restaurants to satisfy every mood and taste. Whether you are after, a full-scale meal or just some appetizers and a good glass of wine, Philadelphia will have you covered. So if you're in the mood for cultural diverse the mixed with revolutionary history, a vibrant and diverse culture and give Philadelphia a try, and to make your trip planning easier. Pick up a copy of the Miss Passport mini three-day unforgettable vacation itinerary. This handy and invaluable travel guide is like having a personal tour director in your back pocket. E-book is designed to deliver you a three-day itinerary with a suggested site or attraction each day along with the appropriate places to stay and restaurant suggestions. There are also interesting facts and information included about the particular sites and/or buildings you will be seeing the itinerary is designed in such a way as to allow you to deviate from the suggested Miss Passport path anytime you wish, and then rejoin it again without missing a beat.
