Sharon Bell : Miss Passport City Guides Presents: Mini 3 day Unforgettable Vacation Itinerary to Willimasburg VA (Miss Passport Travel Guides Book) before purchasing it in order to gage whether or not it

would be worth my time, and all praised Miss Passport City Guides Presents: Mini 3 day Unforgettable Vacation Itinerary to Williamsburg VA (Miss Passport Travel Guides Book):

0 of 0 people found the following review helpful. Welcome To Williamsburg!By tlc123This is the most disappointing travel guide I have ever seen! Don't waste time or money on this poor excuse for a book. It just goes to show you that you don't need ideas, talent, nor proper grammar to get published. You can get more information from the internet. Heck, you're better off asking a random guy on the street what to do in "Williamsburg" (sic). The product description on has more total words than this entire 20 page book/overpriced pamphlet. There is no itinerary. The map is microscopic. To call the writing "childish" would be an insult to children everywhere!

Miss Passport mini three-day unforgettable vacation itinerary (Williamsburg, Virginia) Williamsburg Virginia is absolutely integral to the history of the United States. It was the site of the first European settlement on the North American continent with the Jamestown colony. Founded May 14, 1607 Virginia witnessed the transition from British colonialism to American sovereignty with the surrender of the British at Yorktown and she was again present when the nation was once again unified with the surrender of the Confederate Army at Appomattox. Virginia has also been witness to one of the darkest chapters in American history, when the first African slaves landed on her shores in 1619. Virginia, particularly Williamsburg might be considered the backbone of the nation, and if not the backbone then definitely one of the vertebrae Virginia's rich history is woven deep into the tapestry that is America. She has witnessed many great turning points in history she is the birthplace of eight US presidents, and she continues to be at the forefront of American politics. As a modern day adventurer exploring Williamsburg, Virginia you will be able to use all five senses to explore this rich history from having conversations hearing stories from the warm and friendly locals, and tasting the rich variety of world-class cuisine and smelling the aroma of the wonderful wines at the Williamsburg winery to laying your hands on some alligator fabrics from some world-class clothing boutiques or the grain in the wood of an antique chest of drawers found in one of the many antique shops. You will be surrounded by the past present and future all at once. You can walk the paths of colonial Williamsburg and see Virginia as she was in the months prior to the revolution. You can visit Jamestown and see the planting of the seed that would be America. If however witnessing living history is not quite enough excitement there is always a thrill rides of the Busch Gardens theme park. Housed within the boundaries of colonial Williamsburg, this theme park provides amazing roller coasters that will give you such an adrenaline rush your teeth will vibrate and if wet and wild is more your speed. Then you want to go to water country USA. This theme park houses, waterslides and wave pools, simulated beaches, and everything is set to a 1950s era surfing theme. So you can live out your fantasies of being a California surf bum. So if you think Virginia might be a good spot for your next exploratory expedition. Then pick up a Miss Passport mini three-day unforgettable vacation itinerary and let the adventure begin! The Miss Passport guidebooks present the traveler with a fully completed a three-day itinerary that list out everything from the best hotel to the best restaurants, as well as the best attractions and breaks them down into 24 hour intervals that will optimize your site seen potential for guidebooks. However are set up in such a way as to allow you to add or change any aspect of the itinerary without compromising the quality of your expedition. You can deviate from the Miss Passport path. Anytime you wish and then resume it whenever you are ready without losing a step. This handy little travel guide is worth its weight in gold and memories. It is like having a personal travel guide in your back pocket, whose only reason for being is to make sure that you have the ultimate in unforgettable vacations. The Miss Passport guidebooks should be in every well seasoned travelers luggage.
