Delorme : Mississippi Atlas Gazetteer before purchasing it in order to gauge whether or not it would be worth my time, and all praised Mississippi Atlas Gazetteer:

3 of 3 people found the following review helpful. An excellent travelling companion OR research tool By Thomas M. Alewine It is so nice to see the the revised edition with the corrections we suggested several years ago - six of them. Dashboard - GPS units are nice, but they are not perfect and they fail sometime. Have a combination of the two is almost a foolproof solution when you are traveling into unfamiliar territory and most especially at night with inclement weather. With the cost of gasoline today, a wrong turn and 60-70 miles out-of-the-way, one detour could cost almost as much as the book alone. And if you are 'touring,' the book is full of information regarding history,

hunting, fishing, camping, attractions, boating, highways and more and much, much, more than than the dashboard marvels can contain even with the latest updates !0 of 0 people found the following review helpful. Five StarsBy Chuck StrawberryI have the DeLorme atlases for all 50 states. They are high quality and super detailed. I love geography and am a map collector and I highly recommend them0 of 0 people found the following review helpful. Great ReferenceBy SandyGreat Reference ... My husband can find his way home now ... hopefully!

Wouldn't it be nice to always have exactly the right kind of map, whatever your needs may be? You will, with the uniquely versatile DeLorme Atlas Gazetteer Series. These topographic atlases cover individual states with the most comprehensive detail available, including back roads, backwater lakes and streams, boat ramps, forests, wetlands, trailheads, campgrounds, public lands, prime hunting and fishing spots, and countless landmarks and points of interest. You'll also find a wealth of information on everything from family outings to wilderness adventures. The Atlas Gazetteer is ideal for outdoor recreation, business travel, home or office reference, and countless other uses. Mississippi Gazetteer categories Attractions/Museums Campgrounds Casinos Fishing Golf Courses Historic Sites Hunting Recreation Areas Scenic Drives Trails Unique Natural Features Suggested Uses In-vehicle for everyday reference Exploring back roads Outdoor recreation preparation and navigation Business travel Planning vacations and leisure activities Armchair journeys

About the AuthorDeLorme has been directly responsible for many of the major technological advances made in the mapping industry over the past 30 years.
