I have about 20+ various states worth of these maps because they are really durable, waterproof (a must on a motorcycle!) you can fold them up repeatedly to the specific section you are interested in. Space is a premium on any bike but I make room for these maps in my grip. Even if you aren't a motorcyclist, these maps are great cause they won't rip! Very detail map that folds easily.By B.M.C.These maps are quite detailed (more than a standard map atlas in my opinion, but probably a little less than a huge fold out paper map). They offer most all the roads an out of state traveler would ever need to know about. I use a GPS, but my wife likes to follow along on the map and the map gives us a much better overview than the GPS can.These maps fold so easily. And if you spill something on it, no problem. Just wipe it off.

The durable and convenient Mississippi EasyToFold state map will take all the wear and tear your journey can dish out. Easy to fold means no fumbling Heavy-duty lamination allows you to write on, wipe off Durable and tear resistant Folds to display individual map sections Full-color maps with enhanced cartography Clearly indicated highways, county boundaries, points of interest, and more Quick-reference legend and city indexProduct DetailsDimensions: 9" x 4.25" folded; 18" x 17" unfolded
