William Henry Koebel : Modern Chile: With Illustrations and Map (Classic Reprint) before purchasing it in order to gage whether or not it would be worth my time, and all praised Modern Chile: With Illustrations and Map (Classic Reprint):

Excerpt from Modern Chile: With Illustrations and MapIn previous books of travel I have invariably en deavoured to

acknowledge the kindness of those who have rendered the assistance and information which is so essential to any attempt of the kind. In the case of the present work this is out of the question -for the simple reason that it was my good fortune to find such good offices and kindnesses universal on the part of Chilians and English residents in Chile. Especial thanks are due to Don Agustin Edwards, the distinguished Chilean Minister to the Court of St. James, to Don Carlos Edwards, the Chilean Ministers and officials, as well as to the Senores Bernadino Toro, Izquierdo, Gulliermo j. Swinburn, Gulliermo Swinburn Urmeneta, Admiral Simpson, Colonel Chaparro, and Major Arturo Ahumada. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
